

# Android Enterprise device testing

Model: **Pixel 3a**  
 OS version: **9**  
 Build number: **PD2A.190115.032**  
 Security patch: **March 05**  
 Date tested: **14/05/2019**

EMM1: **Mobileiron Core 10.3 & M@W 10.2.1.1.3**  
 EMM2: **Workspace One UEM & Hub 19.04.0.29**  
 EMM3 (optional, provisioning):

Provisioning	EMM1	EMM2	EMM3
<b>Zero-touch</b>			
Initiates following network connectivity	Success	Success	
No wizard interjections	Warning	Warning	
Passes through DPC extras	Success	Success	
Automatically resets if user attempts to skip ZT	Success	Success	
Silently adds the provisioned managed Google Play account	Success	Success	
Enforces encryption if not encrypted	Success	Success	
<b>KME</b>			
Initiates following network connectivity	Success	Success	
No wizard interjections	Success	Success	
Passes through DPC extras	Success	Success	
Cannot be bypassed	Success	Success	
Enforces encryption if not encrypted	Success	Success	
<b>QR</b>			
Supports 6 taps on the welcome screen	Success	Success	
No wizard interjections	Success	Success	
Passes through DPC extras	Success	Success	
Connects to WiFi if configured in payload	Success	Success	
Silently adds the provisioned managed Google Play account	Success	Success	
Enforces encryption if not encrypted	Success	Success	

	EMM1	EMM2	EMM3
<b>DPC identifier / Google account</b>			
No wizard interjections following input of identifier	Warning	Warning	
Silently adds the provisioned managed Google Play account	Success	Success	
Enforces encryption if not encrypted	Success	Success	
<b>NFC</b>			
NFC radio is enabled out of the box	Success	Success	
No wizard interjections	Success	Success	
Enforces encryption if not encrypted	Success	Success	
Passes through DPC extras	Success	Success	
Silently adds the provisioned managed Google Play account	Success	Success	
<b>Work profile</b>			
Initiates a creation of a work profile during EMM setup	Success	Success	
Creates a work folder if tabbed launcher is not present	Success	Success	
Disables parent DPC & enables work profile DPC	Success	Success	
Supports work challenge	Success	Success	
Doesn't add unnecessary system apps into the work profile	Success	Success	
Does not permit access to the shared SD Card if present	Success	Success	
Silently adds the provisioned managed Google Play account	Success	Success
